The screenshot displays the L&B eBooks Platform Portal. At the top, there is a header with the L&B logo and the text 'Library & Book'. To the right, there is a language selection menu with options for 繁體中文, 簡體中文, English, and 日本語, along with links for Website and Contact Us, and a welcome message '碩亞數碼, Welcome to L&B 2.0'. Below the header is a navigation bar with categories: General, Arts & Humanity, Social Science, Science, Technology, Medicine, and News. A search bar is located below the navigation bar, with a dropdown menu set to 'All'. To the right of the search bar are buttons for 'Search' and 'Advanced Search'. Below the search bar are four sections: 'Most Popular', 'Newest', 'Featured', and 'Favorites'. Each section displays a grid of book covers. The 'Most Popular' section shows books like 'The Great Wall of China' and 'The Great Wall of China'. The 'Newest' section shows books like 'The Great Wall of China' and 'The Great Wall of China'. The 'Featured' section shows books like '家常菜' and '人氣滿味'. The 'Favorites' section shows books like '公司理財' and '點睛'. Arrows point from the 'Language Interface' label to the language selection menu, and from the 'Search Function' and 'Catalogue' labels to the search bar and 'Advanced Search' button respectively.

SEARCH FUNCTION

Simple Search

User can input keyword in the dialog box to search the related eBooks and system will display the search result as the following graph below:

If there are too many records, please use "Refine Results" to narrow down the search range.

Refine Results

The screenshot shows the 'Refine Results' sidebar of the L&B Library & Book system. At the top, there is a search bar and a 'Search' button. Below the search bar, it indicates 'Total 804 Record(s)'. The sidebar is divided into three main sections: Author, Publisher, and Publication Year. Each section has a 'Filter' button and a list of options with counts. The Author section lists '常玉田 (7)', '北京市地方志编纂委员会 (5)', and '李德荣 (5)'. The Publisher section lists '对外经济贸易大学出版社 (137)', 'Hong Kong University Press (87)', and '清华大学出版社 (78)'. The Publication Year section lists '2005 (135)', '2004 (112)', and '2007 (105)'. Each list has a 'More Options' link. The top of the sidebar has tabs for 'General', 'Arts & Humanity', and 'Soc'.

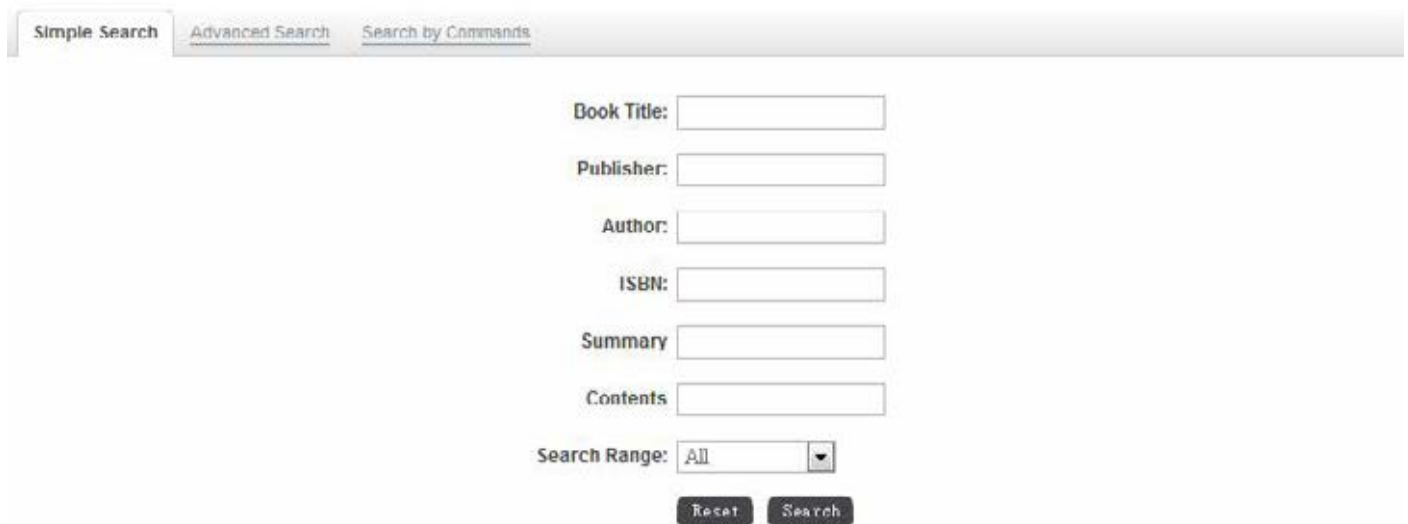

User can use "Author", "Publisher", and " Publication Year" to identify and filter related eBooks. Each catalog has several sub-catalogs and every sub-catalog provides eBook number in the end for user's reference.

In the same time, user also can use "Advanced Search" to search specific eBooks.

Advanced Search

Advanced Search provides "Simple Search", "Advanced Search", and "Search by Commands" functions. Here are their introduction below:

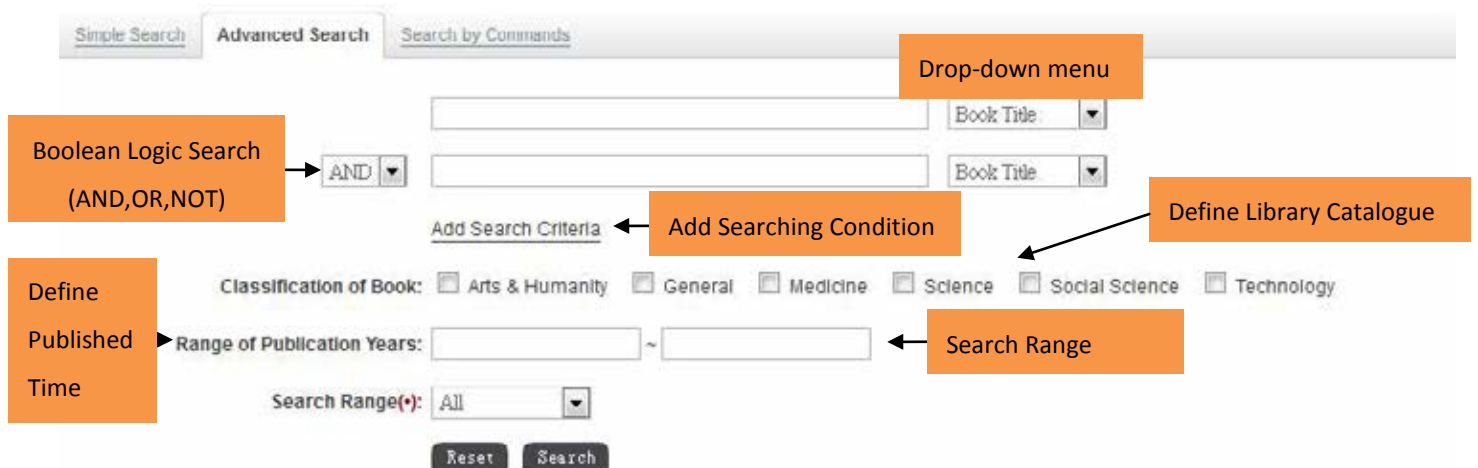

Simple Search

The Simple Search interface features a horizontal tab bar with three options: "Simple Search" (selected), "Advanced Search", and "Search by Commands". Below the tabs, there are six input fields stacked vertically, each with a label to its left: "Book Title:", "Publisher:", "Author:", "ISBN:", "Summary", and "Contents:". Below these fields is a "Search Range:" label followed by a dropdown menu currently set to "All". At the bottom are two buttons: "Reset" and "Search".

Simple Search provides "Book Title", "Publisher", "Author", "ISBN", "Summary", "Contents", and "Search Range" functions. User can input keyword in the proper dialog box. "Search Range" can help user to limit the search in all or purchased books.

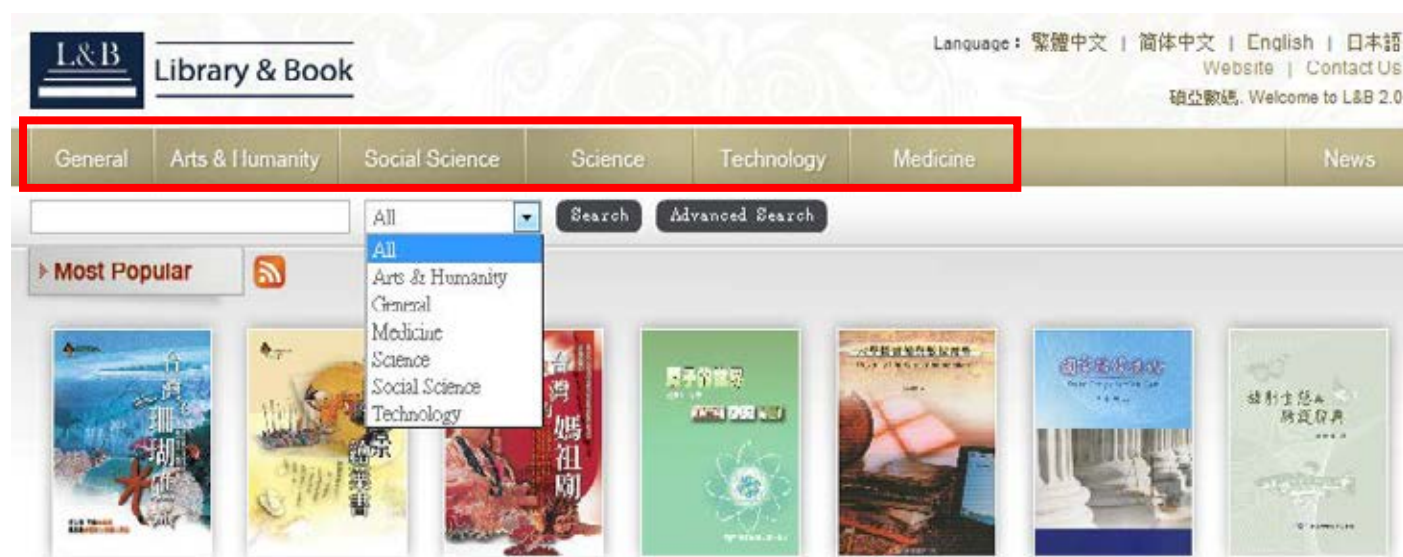

Advanced Search

The Advanced Search interface includes the same horizontal tab bar as the Simple Search page. The main area contains several search options. At the top, there are two input fields for text search, each with a "Book Title" dropdown menu to its right. Below these is a "Boolean Logic Search (AND,OR,NOT)" section with a dropdown menu set to "AND". To the right of this is an "Add Search Criteria" link. Below the Boolean section is a "Classification of Book:" section with checkboxes for "Arts & Humanity", "General", "Medicine", "Science", "Social Science", and "Technology". Below this is a "Range of Publication Years:" section with two input fields separated by a tilde (~). At the bottom is a "Search Range(*):" dropdown menu set to "All". There are "Reset" and "Search" buttons at the very bottom. Several orange callout boxes with arrows point to specific features: "Drop-down menu" points to the "Book Title" dropdowns; "Boolean Logic Search (AND,OR,NOT)" points to the Boolean dropdown; "Define Library Catalogue" points to the "Classification of Book:" checkboxes; "Define Published Time" points to the "Range of Publication Years:" input fields; "Add Searching Condition" points to the "Add Search Criteria" link; and "Search Range" points to the "Search Range(*):" dropdown.

SUBJECT BROWSE

L&B eBook platform provides six subject categories for users' browse. Users can browse related eBooks by different subject.
